\$1 out, \$18 in

On average, for every dollar nonprofits invest in Network for Good's online giving services, they receive more than eighteen dollars from donors.

\$53 million

Last year more than 20,000 nonprofits raised \$53 million using Network for Good's online fundraising services.

1. Money for your mission!

Our customers raise an average of \$18 for every \$1 they pay for our services.

That's great ROI. We wish we got that in the stock market!

2. A Rolls-Royce donor experience for the price of a Kia!

Our services cost a fraction of the priciest, most feature-rich options out there, yet they include nearly all the same options. Now that's a deal. And remember, cheaper services generate far less in donations because they don't reflect your brand. Another brand's shopping cart lacks the warm-fuzzy feeling donors should get from supporting you!

We give you:

- YOUR BRAND FRONT AND CENTER - A giving page that looks EXACTLY like your website that you get to customize in all kinds of ways
- MONTHLY GIFTS - Recurring giving options for steady fiscal support to you
- HAPPY DONORS - Cool features for donors like donating in honor of someone or designating their gift for a specific purpose – plus you can provide thank you gifts for generous donors.
- CUSTOM RECEIPTS - Customized receipts that will make your supporters smile
- INSTANT GRATIFICATION - Instant notification when your organization gets a donation
- ALL THE NUMBERS - Great donation tracking reports

3. What IRS auditors want!

If you want to keep it legal in accepting online donations, you need to file registrations for receiving donations in 43 states and the District of Columbia. Don't page a lawyer or pay thousands in fees – let us handle it! We take care of that for our customers. No legal fees, no legal vulnerabilities, no worries.

4. Control that's fun to exercise!

We want you to call the shots. With our services, YOU choose the look and feel of your giving page. YOU decide what donation amounts to request. YOU choose the language in your thank-you receipts. We think you know your donors best, so we give you the creative control – and we make it easy for you to exercise that control. Our tools are extremely simple to use – no technology expertise required.

5. A marketing and customer service A-team!

Along with our services, you get marketing/fundraising tips and training that are so good, it's like having your own agency! Our nationally renowned marketing, sales and customer service team members and guest trainers – along with our online Learning Center – ensure you'll get the dollars flowing on DonateNow. And if you're ever stuck on a thing, a nonprofit expert at Network for Good is just a phone call or email away. We're here to make you a smashing success.
