Quotes

"The most valuable part of working with Network for Good was the personal support and knowing that classes would be available for questions. All of the questions or concerns that I had were answered in a timely manner with an answer that worked."

Paul Werner,
Global Footprint Network

"Internet outreach is essential to driving more resources to nonprofits, in particular the small and medium sized community-based nonprofits that often need the capacity and the tools that Network for Good offers them to connect to individual donors."

Thomas Reis,
W.K. Kellogg Foundation

Through a generous grant from the W.K. Kellogg Foundation, we are able to provide **free online fundraising services and training** to nonprofits in the state of New Mexico.
